(30) Priority: **03.11.1998 IT SV980064**

(71) Applicant: **Pujals, Juan Ricart**  
**08500 VIC BARCELONA (ES)**

(54) **System for selective waste collection**

(57) A system for selective waste collection and accounting, particularly for municipal waste, or the like, comprising a plurality of collection sites (1) spread over the relevant area, each having different containers (2) for different product types; waste packages, which are differentiated by type and may be differentiated by user; means for identification of users. Means for distinguishing unambiguously the waste deposited by a user from that deposited by another user; a computer (5) with maps correlating users and identification means stored therein, whereto means (4) for weighing waste for each waste type and means for generating correlation between said values and the identification code of each user are associated; a unit (5) whereon a program for computing the service costs and a program for computing premiums or penalties according to the weight result and hence to the behavior of the user are loaded; a unit for debiting said costs and/or penalties and/or storing or crediting said premiums.

CATEGORY OF CITED DOCUMENTS			
X : particularly relevant if taken alone Y : particularly relevant if combined with another document of the same category A : technological background O : non-written disclosure P : intermediate document		T : theory or principle underlying the invention E : earlier patent document, but published on, or after the filing date D : document cited in the application L : document cited for other reasons ..... & : member of the same patent family, corresponding document	

EPC FORM 1503 03.92 (P04C01)

**ANNEX TO THE EUROPEAN SEARCH REPORT  
ON EUROPEAN PATENT APPLICATION NO.**

EP 99 12 1663

This annex lists the patent family members relating to the patent documents cited in the above-mentioned European search report. The members are as contained in the European Patent Office EDP file on  
The European Patent Office is in no way liable for these particulars which are merely given for the purpose of information.
